## Product Description

Designed by Kerstin H. Holmquist in 1958 for Nordiska Kompaniet, NK, the Paradiset Sofa boasts an elegant and organic shape - a strong feature of Swedish modern design. While the soft line of the back, which smoothly run over into the armrests, gives a classic appeal, the tapered and curved legs bring a whimsical twist to the 2,5- seater sofa design. Sofa cannot be made in leather. Made in Europe.
