Product Description

The new project with Studiopepe is a collaboration with designers Arianna Lelli Mami and Chiara Di Pinto, the creative minds behind the consultancy. It follows the successful Milan Fuorisalone event earlier this year which featured 'Club Unseen', an imaginary cocktail bar with retro furniture and cool music. Pastilles is a collection of small armchairs, ottomans and coffee tables, with soft and enveloping shapes that bring back childhood memories, the sweets. A contemporary reinterpretation of the classic cockpit armchair, with a sinuous shell that contains the seat and that gives excellent comfort to the design. The collection includes: an armchair, ottoman and coffee/side tables, these elements create a matched family of shapes that can be used as a system or as single objects. Suitable for contract/high traffic and hotel environments. Designed in 2018. Hand Made in Italy.
