

## Peacock Sofa

**Product Categories:** [Outdoor](#), [Sofas](#)

**Product Page:** <https://propertyfurniture.com/product/peacock-sofa/>

### Product Description

Beautiful visual furniture with high comfort. Peacock is a piece of modern furniture designed by Foersom & Hiort-Lorenzen MDD. The mix of two colors in the weave gives a very unique look. The synthetic outdoor Weave makes it ideal for use in any climate, as it is both temperature and UV-resistant. The collection includes a sofa, daybed, dining chair, and lounge chair.
