Product Description

“A lamp with personality” is how Peek Table Lamp has been described. Jonas Wagell's quirky yet utterly practical Peek Series began with a floor lamp, created to accompany a sofa he designed. “I find that floor lamps are often big and

dominant,” Jonas explains. An antidote to overbearing lamps, he conceived his new lamp to literally “peek” over a sofa or armchair. The proportions have shrunk for the Table Lamp, with a dip in the top of the base for needful things – earplugs or jewelry. The collection includes a floor and table light. UL approved. If UL listing is needed available for a custom upcharge.
