Product Description

Writing desk in transparent extralight glass or in a special double-faced extralight acid-etched glass tempered and thermo-welded. Available in two different sizes. The version in extralight acid-etched glass has the footrest bar in inox anodized aluminum, while the version in transparent extralight glass is available with the footrest bar in inox anodized aluminum or in natural ash. The great care of the details and the balanced proportions endow an appearance of delicate harmony. Handmade in Italy.
