Product Description

PTYX is a family of three indoor occasional tables featuring square, rectangular and triangular rounded edges tops. The MDF table tops and the steel tubular legs have luxurious hand-made finishes. A mixture of precious marble powders, river sands or metal powders are applied to the table tops. This meticulous rebuilding technique bestows a variety of unique and highly refined surface effects. The steel table legs are galvanized in black nickel, copper, bronze or brass. Suitable for contract/high traffic or residential environments. Designed in 2019. Handmade in Italy.
