Product Description

Rituale rug is part of a Special Edizioni which rediscovers the more private side of Umberto Riva. Known as an architect and designer, Riva never tried to hide his fondness for art and painting. In his works, geometric patterns and colors intertwine, creating delicately beautiful abstract subjects, as in Rituale. Drawing upon the painting of the same name, the rug is completely handmade, in keeping with an ancient, intricate wool-knotting process. The ultimate distillation of art, artisan craftsmanship and design. Fleece 100% Himalayan wool, cotton weave. Handmade with a loom in Nepal (Handknotted technique). 125.000 knots/sqm. Designed in 2018
