

Roma Sofa

Product Categories: [Sofas](#)

Product Page: <https://propertyfurniture.com/product/roma-sofa/>

Product Description

Almost suspended above the floor, with the slenderest of legs upholding a large, cozy seat. Jonas Wagell imagines a sofa, inspired by the soft, curving form of a semicircle. With citations from fifties design, not of affectation, but of clear inspiration, this design is “classical” by nature, and not only in name.

The Roma Collection also includes an armchair, which is available **here**.

Product Attributes

Dimensions: 92"W x 48"/33"D x 29"H
