Product Description

Soft and comfortable with a contemporary cut, the Santiago sofa plays with unusual proportions to create a unique visual presence that changes depending on the point you watch them from. From the side, the armrest appears small and irregular, while, as contrast, the backrest is high and triangular. From the front side, the sofa has a pleasantly rounded shape, which seems to float suspended on a thin structure of a painted tubular, or on ash wood feet dyed light walnut. Armchair and ottoman also available. Designed in 2016. Handmade in Italy.

Award: German Design Award 2017
