Product Description

The metallic version of the Semi Pendant Light is a unique pendant lamp, based on two quarter-circles put together, back-to-back. With its distinctive arch-shaped, enameled metal shade, lightness of form and unique, timeless design, the elegant Semi lamp achieved great success in the 1980s and became, at that time, the best-selling Danish design, gaining worldwide recognition and iconic status. The textile cord is black, except for white which matches the shade. The Collection includes Matte and Glossy Colored version.
