**Product Page:** <https://propertyfurniture.com/product/series-430-stool/>

### Product Description

The Series 430 collection has a new addition a bar and counter height stool. Fully upholstered multi-purpose high stool with black or white painted metal frame. Designed almost 50 years ago, the stool features a small footprint, beautiful finish, good stacking ability, and exceptional comfort – making it the perfect stool for almost any setting. Suitable for contract high traffic environments, hotel, office, restaurant or airports. The collection includes: dining chair, bar/counter stools, or low stool. Minimum order of 2 stools for made to order fabrics/leathers. Introduced in 1967. Quick Ship available.

Please Note: due to the delicate nature of velvet some slight imperfections may occur.

Velvet Upholstery: No Ironing. Only Steaming. Steaming might be necessary to

remove pressure marks.
