

## Shadow XL Pendants

**Product Categories:** [Lighting](#), [Suspension](#)

**Product Page:** <https://propertyfurniture.com/product/shadow-xl-pendants/>

### Product Description

Large spotlights inspired by the classic 'atelier lights'. Shadow collection is a new interpretation for a lot appreciated and timeless french 'atelier' shades, likewise to be considered as a homage to its previous typology. The collection consists of 5 pieces for each bunch and has different types of glass shades which slide over the wooden neck. The collection is powered by LED light source hidden in the wooden neck. Shadows XL is loosely based on the collection of lights Shadows. Also available in small pendant collection. Hand Made in the Czech Republic.

Light Bulb included: 110V, E26, 13W, 2700K, 700LM, RA90, 60°, DIM.

\*LED Bulb life varies please inquire
