Product Description

The structure is made of plywood veneered in Canaletto walnut wood or black ash wood with vertical supports in forged metal with a burnished brass finish, serving as an ideal stand. The glass top and the compartment lined in eco-leather give a refined look to the display unit for collectibles and valuable items. Everything is perfectly matched with the inside parts that are lacquered in ivory color, creating a harmonious furniture unit. This chest of drawers is originally designed for the bedroom, but it can also be interpreted as a display and storage unit, suitable to be placed in the living area. With

its simple and modern lines, it stands out in any setting. The collection includes: bar cabinet, sideboard, living/bedroom cabinet, bed, dresser, nightstand, and sofa. Designed in 2020. Handmade in Italy.
