

## Show Cabinet Fir Wood

**Product Categories:** [Storage](#)

**Product Page:** <https://propertyfurniture.com/product/show-cabinet-fir-wood/>

### Product Description

A Collection of storage units distinguished by doors slightly protruding from the frames, fitted with either coplanar sliding openings, hinged doors or drawers. They can be wall-hung as well as mounted on lacquered bases, on aluminum feet or on trestles. They can be personalized by selecting from innumerable textures, colors and finishes.

\*Shown in a storage unit with 4-door storage unit with SIMPLE feet in satin-finished aluminum

107"L x 18"D x 31"H
