Product Description

A series of floor/table lamp inspired by the classic wooden top toy. The form has been transformed into a decorative lighting piece

A unique feature of the Spun lamp is that it does not contain any visible screws or fasteners, mimicking the smooth profile of the spinning top. The frosted glass shade is securely held in place with an innovative screw method, allowing a simple twist of the glass shade to access the bulb when needed.

Also available as pendant lights

E27 Fitting, LED: 8W MAX, CLF: 8W MAX (approx. 40W)*
