Product Description

Stay here, stay with me, stay relaxed, stay and read...The Stay Sofa has a sculptural and organic shape that, besides giving a contemporary look, also embraces the user and encourages them to stay seated. The characteristic shape is almost like a singular continuous pencil stroke wrapping a solid texture. The sofa is suitable for both public spaces and private homes as its small size fits very well to populate spaces of limited size where keeping coziness and comfort are essential. The Collection includes: sofa, small armchair, large armchair, and bed. The sofa is available in 3 different depths.
