Product Description

Stay here, stay with me, stay relaxed, stay and read... Stay Collection, consisting of three versions of lounge chairs, has a sculptural and organic shape that, besides giving a contemporary look, also embraces the user and encourages to stay seated. The characteristic shape is almost like a singular continuous pencil stroke wrapping a solid texture. The collection is suitable for both public spaces and private homes as its small size fits very well to populate spaces of limited size where keeping coziness and comfort are essential. The lounge chair is available with swivel base returns to the front-facing position or wood legs. The Collection includes: sofa, small armchair, large armchair, and bed.
