

Stone Suspension Light

Product Categories: [Lighting](#), [Suspension](#)

Product Page: <https://propertyfurniture.com/product/stone-suspension-light/>

Product Description

Stone is characterized by almost sculptured volumes, where the lightness of blown glass is opposed to the solidity of linear geometries. In this counterpoint, between the use of material naturally tending to round shapes, and a rigorous design requiring edges and orthogonal lines, the balance of a bright, original composition is expressed. ETL Listed(E26 fixture). Light Bulb: E12 40W or LED 2W+8W, 1110lm, 2700K(Dimmable). Designed in 2017. Handmade in Italy.

Product Attributes

Dimensions: 16"Diam. x 13"H

Cord Length: 47"Max.**Color:** Hand Blown Murano Glass Shade: Clear or Smoked.

Metal Frame: Nickel Black.
