Product Description

Tartan is the unmistakable design characteristic of Scottish woolen kilts with its perpendicular criss-cross pattern generating ever-changing geometric motifs. The Tartan suspension lamp has a blown glass diffuser made using the technique of mouth blowing into a mold with a design engraved in it, enriching it with lines and folds echoing the weave of Scottish cloth and a graphic play of light and shadow. Blown acid-etched glass with reliefs. UL listed.

Light Bulb: LED Retrofit/Fluo 1x26W E26 or halogen 1 x 150W E26 (Not included) or LED 1 x 23W COB 3000°K 2291 dimmable (LED included)
