## Product Description

An example of Scandinavian sobriety and rigor, Thin's wooden shell curves harmoniously, cradling the body like a fine second skin. The wood is thickened in the central section almost imperceptibly, making the chair very resistant while at the same time retaining a lightness of form. A classic contract piece. Stackable up to 8 chairs max and for the chair with arms 4 chairs max. The collection includes: chair and stool. Suitable for contract/high traffic environments. Designed in 2004. Made in Italy.
