

Thin Stool

Product Categories: [Bar Height](#), [Contract](#), [Counter](#), [Stools](#), [Stools](#)

Product Page: <https://propertyfurniture.com/product/thin-stool/>

Product Description

An example of Scandinavian sobriety and rigor, Thin's wooden shell curves harmoniously, cradling the body like a fine second skin. The wood is thickened in the central section almost imperceptibly, making the stool very resistant while at the same time retaining a lightness of form. A classic contract piece. The collection includes: chair and stool. Suitable for contract/high traffic environments. Designed in 2004. Made in Italy.

Product Attributes

Dimensions: 14.5"W x 17"D x 28"-37"H
