Product Description

The robust volumes, with their shapes irregularly cut, are finished in smoky brown birdseye veneer in high gloss varnish. The small dotted nodules of this veneer resembling the texture of a true rock and the high gloss finish to the lake water, making of these three tables almost an exact picture of the idyllic and passionate vision of that lake in autumn. Fallen freely on each of the three tables, we find small leaves embedded by the hands of a craftsman with the art of marquetry. The work is performed entirely by hand with wisdom and perfection. The Three Rocks Coffee and Side Table is available in three sizes, and in a variety of other finishes. Handmade in Portugal.
