Product Description

TR Bulb light series is a clever solution for modern city living, inspired by the way people are increasingly becoming urban nomads, moving between cities and countries to pursue careers and life experiences. TR Bulb is designed to be taken from apartment to apartment - installed by simply screwing it into the pendant sockets hanging from the ceiling, no electrical expertise required. The collection includes table light, wall light, pendant light, ceiling light and suspension light. Bulb included: The dimmable LED bulb, with its elegant, spherical form hides the lamp fitting, while the opal glass diffuser creates an even, harmonious glow, preventing glare.
