

Vad Stackable Outdoor Chair

Product Categories: [Chairs](#), [Outdoor](#)

Product Page: <https://propertyfurniture.com/product/vad-stackable-outdoor-chair/>

Product Description

A complete seating system available in a range of structures with a choice of wood, chromed or painted (in the same colors of the seat) metal or steel base. The Vad pays a tribute to the tradition of the Scandinavian masters. The body of the chair, durable and striking, is produced in recyclable reinforced polypropylene by means of injection molding in a single block. Indoor chair is available in various upholstery options. Suitable for contract and domestic environments. Outdoor chair is not suitable for seaside use. Designed in 2009. Handmade in Italy.
