

Wingback Chair Copper Legs

Product Categories: [Seating](#)

Product Page: <https://propertyfurniture.com/product/wingback-chair-copper-legs/>

Product Description

A 17th century English archetype re-thought and updated for the 21st century. The extravagant and fully upholstered form has been tweaked and teased to give an even more rakish silhouette, the ergonomics adjusted for more comfort and the frame has been re-tooled for industrial production.

The result is an elegant functional sculpture fit for the members club, the hotel lobby or the parlour. Chair legs are made of copper-plated steel.
