### Product Description

Blending sloping angles and taut lengths of bent metal is a modern interpretation of the wiry idea initially conceived by Warren Platner. The series is made up of a suite of tables, side tables, and benches and fitted with luxurious solid wood, glass, or upholstered tops. By choosing the upholstered top the coffee table can serve as an ottoman. The Collection includes: side table, coffee table, complement table, dining, cafe, lighting, chaise, outdoor lounge, bench, and ottoman. Hand Made in the USA.
