

Yeh Wall Table

Product Categories: [Coffee/Side Tables](#), [Side Tables](#)

Product Page: <https://propertyfurniture.com/product/yeh-wall-table/>

Product Description

A minimalistic table with clean lines standing on only two legs, which is composed of powder-coated steel. To compensate the two missing legs, a part of the thin tabletop is bent upwards in a 90-degree angle against the wall. Two thin and slightly angled tubular steel legs give additional stability. No other fixtures are needed for the table to support what's placed on top of it. Available in two sizes.

Also available in Quick Ship
